

GUARDIAN JUNIOR BCD

The Guardian Junior will help young divers through the rigours of those early dives. Designed with a more-than-substantial 600 denier polyester/ 420 denier nylon build, fourteen CETL plastic D-rings, two generous zipped pockets and four methods for air dumping.

To top it off, the BCD features a rugged, striking outer layer on the side panels, and it's supplied with a Northern Diver carry bag.

FEATURES

- 600D polyester/ 420D nylon
- Mini power inflator system
- 3 pull dumps
- 14 CETL plastic D-rings
- Single cylinder housing
- Reinforced webbing cylinder cam band
- Removable pocket for Flexi-Light EES (Easy Evacuation System)
- Sliders for vertical adjustment of chest strap
- Padded shoulder straps
- 2 large zipped pockets

Available in one adjustable size, age 12-14 years old.
