

# MESH GLOVE STORAGE BAG

Keep your essential gear organised, protected, and ready for action with the Mesh Glove Storage Bag.

Designed for divers, water rescue professionals, and watersports enthusiasts, this durable storage solution ensures your gloves stay together and in optimal condition between uses.

Constructed from high-quality mesh, the bag allows for excellent airflow and rapid drainage—helping your gloves dry quickly and reducing odours. The practical drawstring closure provides secure storage while allowing easy access when you need it most, whether you're on deck, on shore, or in the field.

Compact yet spacious, it's the perfect addition to any dive kit or rescue gear setup.

## FEATURES

**Durable Mesh Construction** – Built to withstand demanding environments while promoting airflow

**Quick Drainage Design** – Helps remove excess water and speeds up drying time

**Breathable Storage** – Reduces moisture build-up and unpleasant odours

**Secure Drawstring Closure** – Keeps contents safely stored while allowing quick access

**Compact & Practical Size** – 380\*180mm (14.9\*7"), ideal for easy packing and transport

**Versatile Use** – Suitable for diving, watersports, water rescue teams, and commercial operations

**Classic Black Finish** – Professional, low-profile look
