

BRAVA MASK

We are proud to introduce our brand-new Brava Mask. When it comes to clarity of vision, the Brava does not disappoint. It boasts an impressive field of vision thanks to Anti-Fog technology combined with low mask volume, ensuring you won't miss a thing!

Comfort is key. The Brava's soft silicone skirt means that the perfect fit is always achieved, allowing you to enjoy your time in the water comfortably and confidently. Should you need to adjust the straps, the Brava's patented push-button buckles make it quick and easy to achieve the optimum fit. To top it off, the Brava Mask is available in 4 stylish colours.
