

60M REEL & DIVE TORCH COMBO

Our innovative line reel has a unique design and it has been manufactured from a combination of anodized aluminium and synthetic polymers, to make it strong, lightweight and corrosion resistant. The free-flowing spool has a thumb operated spool-lock, to ensure controlled line deployment. Supplied complete with 60m (197') of high-vis orange reel line.

The reel also incorporates an attachment point on the top and rubber fixing band allowing you to easily mount Northern Divers Varilux Micro Dive Torch. Ideal for hands-free directional light. Other torches of a similar size may be mountable. In addition, the reel has its own wrist lanyard which can be easily removed to provide the diver with a convenient backup torch.

REEL FEATURES

- Anodized aluminium
- Free-flowing spool with thumb operated spool-lock
- Unique 'sprung' reel handle
- Top mounted torch attachment point and rubber fixing band
- Can be used for wreck diving and deployment of DSMB's or lift bags
- 60m (197') of line
- Easy to use to lay navigating lines

VARILUX MICRO FEATURES

- Build: Anodised aircraft aluminium
- LED: SST40
- LED lifespan: 10,000 h
- Brightness: 90 - 850 lm
- Burn time: 2 - 28 hours
- Beam distance: 280m (919')
- Peak beam intensity: 20000cd
- Impact resistance: 1m (3'3")
- Depth rating: 100m (328')
- Colour temperature: white light
- Mode: high/low
- Switch design: push button
- Lens: coated glass lens
- Battery: 18650 3.7 V, 2600 mAh
- Low battery indicator
- Charging: magnetic port
- Size: 145*35.5 mm (5.7*1.4")
- Weight (inc battery): 185g (0.4lbs)
